COOUTURE CHAPERONS

Caracole brings warmth and moments of enthrall into your living spaces with four refined escort ideas.

TEXT CLARA LING IMAGES COURTESY OF CARACOLE

Entering into a new chapter is always exciting. It's like when you're about to move into a new home. Surely, it would get you buzzing but what's more than to look forward to your beautiful furnished home? Whether it's enormous or miniscule, each space should reflect the owner's personality and lifestyle. And Caracole just knows how to direct it with four key pieces.

RIGHT

ANTEROOM

It usually serves as a waiting room or a lounge where guests are ushered upon entering the house.

ESCORT: BLACK BEAUTY

A beautiful host dressed in a black Tuxedo, Black Beauty greets you in chrome accents and soft white upholstery. A modern take on a classic Windsor style chair, Black Beauty is suitable for small and tight spaces or used for extra seating.

DESIGNED FOR EVERY
LIVING SPACE, CARACOLE'S
ELEGANT ESCORTS ARE
ALWAYS AT YOUR SERVICE.

TOP RIGHT

ENTERTAINMENT ROOM

There are no rules in this space. It can either be a music room or even a home cinema - all in the name of leisure.

ESCORT: TRACK II

A fashionista, looks like Track II is the most up-to-date in the house! Comfy and casual, Track II is clad in rock ridge grey diagonal chenille where its track arm is welted in contrasting leather - attaining a beautiful sheen that gives it a speck of shimmering glow. Its stylish zebra pillows certainly throw in an extra va-va-voom twang!

MIDDLE RIGHT

DRAWING ROOM

An all-purpose room in a house, in other words a living room where family and guests gather for light-hearted talks.

ESCORT: OUI OUI

One of Caracole's best-selling frames, Oui Oui is known for its elegance that woos anyone who walks passed her or better yet, seated on. Undeniably, it imbues a French accent in resurgence of carved wood with layers of luxurious linens, nail head trim accents with an exquisite White Over Grey gesso finish.

BOTTOM LEFT

RINGING CORNER

A short retrieve away from the commotion for a quiet phone conversation in a comfortable setting.

ESCORT: GIVE ME A RING

The perfect aspirant for any small room, Give Me A Ring is a little chic pedestal table finished in London Fog - a shimmering grey lacquer. This 36-inch round table boasts a white stone top. A collar of polished brass accents the base and graphic round feet. It comes pretty handy to hold your telephone and address book. ❖
